## *January's Book Club Reading*

**The Night Circus** by Erin Morgenstern is a phantasmagorical fairy tale set in a magical circus that opens only from sunset to sunrise. The story revolves around a rivalry between two young magicians who are destined to face each other in a magical dull to the death. The circus features illusionists, fortune-tellers, and attractions that defy the laws of physics and reality. As the challenge unfolds over several years, love and power come together in this enchanting novel.

Book Club meeting will be January 23<sup>rd</sup> at 10am.
