*The Director's Corner:*

With Growth Comes Change

- As our center grows, we will have to make some changes along the way to continue to accommodate everyone. Please bear with us through the transition period. These are very exciting times here at our senior center!
- Beginning November 1<sup>st</sup>, we will be changing our meal serving times to 10am-11:30am. This will give staff and volunteers the time to serve the increase in numbers.
- We also ask that you sign up for meals a week in advance as we must put those orders in to ensure we have enough food to serve everyone.

If there are any questions, comments, or concerns, please feel free to speak with me.

Thank you,

Stephanie Strausbaugh Director
